Dear Heritage Family,

I want to express my sincere gratitude for honoring me in such a wonderful way for my retirement last Sunday! Your presence, your gifts and cards of gratitude truly touched my heart! Thank you once again for always having the kids and my back with your prayers and other ways that you have supported us throughout these past four years as Children's Pastor. As I move into my next season, I'm sure you will continue to support our Heritage Kids as well as Pastor Natalie!

***Thanks again, church family!
You are awesome and you are appreciated!***

***Blessings!
Kim Lamer***
